What's new in Call 2017?

- ❖ Governance and Information (ENV and CLIMA):
 - ✓ Applicants are asked to include a “put in practice” component in the project, e.g. concrete activities for the uptake and use of tools developed by relevant actors, during the project duration.
- ❖ Climate Action:
 - ✓ Updated EU policy priorities for Climate Change Mitigation: focus on Fluorinated greenhouse gases.

What's new in Call 2017?

- For all LIFE strands: Encouraging up-taking of results from research
 - ❖ Form B3: Projects concerned by up-taking results from EU financed research projects (FPs/H2020), will have to describe comprehensively how those results will be used in the LIFE project
 - ❖ This can drive to an additional point in the scoring

Thank you for your attention!
