Signature: .....

Name of signatory: .....

Date: .....

**Note: Additional information may be required during the examination of the application**

---

**PART B: REPLY OF THE DIRECTOR OF THE WATER DEVELOPMENT DEPARTMENT TO THE APPLICANT**

The above application for an entry licence of a tanker is hereby approved/rejected.

For the approval to enter into effect and disposal to commence at the plant, the applicant must:

1. Obtain a relevant waste management permit by the Department of the Environment and
2. Obtain the appropriate duplicate books from the plant and, at the same time, submit **this** form.

It is understood that the owner and the driver of the tanker are obligated to follow all relevant procedures laid down for the sound operation of the plant, as these are notified to them by relevant letter upon approval of the permit.
