

DIONYSIA FASOULA

AGRICULTURAL RESEARCH OFFICER A'

Agricultural Research Institute
Plant Improvement Section
P.O. Box 22016, 1516 Nicosia
Telephone: +357-22403124
Facsimile: +357-22316770
Email: dfasoula@ari.moa.gov.cy

EDUCATION AND TRAINING

- Agricultural Research Officer, Agricultural Research Institute, Nicosia, 1998-2004; 2006- current
- Lecturer, School of Agriculture, Aristotelian University of Thessalonica, 2004-2006
- Postdoctoral Research Associate, Purdue University, USA, 1997-1998
- Postdoctoral Research Associate, University of Illinois at Urbana-Champaign, USA, 1993-1997
- Ph.D., University of Illinois at Urbana-Champaign, USA, 1993
- M.Sc., School of Agriculture, Aristotelian University of Thessalonica, 1988
- B.Sc., School of Agriculture, Aristotelian University of Thessalonica, 1985

RESEARCH INTERESTS

- Plant Breeding - Molecular Genetics
- Prognostic Breeding – Innovative Methodology for Plant Phenotyping, cultivar development, exploitation of epigenetic phenomena, mitigation of biotic and abiotic stressors/Climate Change
- Plant Breeding for Organic and Low-Input Agriculture – Participatory Approaches- Traditional varieties
- Epigenetic phenomena in Plant Breeding-Epigenomics
- Systems Biology
- Precision Agriculture

ADDITIONAL INFORMATION

Selected Publications
